Department of DIAGNOSTIC ULTRASOUND
Academic year 2012-2013

Bachelor of Science in Diagnostic Ultrasound: Typical Four-Year Program of Study

Cardiac Vascular Track

A student must complete 180 credits and earn a major/program and cumulative GPA of 2.00 (C) or better in all courses taken at SU. All majors must obtain a minimum grade of C (2.00) in all DIUS courses. The Diagnostic Ultrasound program is a cohort format in which students must take all of the ultrasound courses in the prescribed order and with the group of students with whom they entered with. The ultrasound specific curriculum must be completed in 2 years.

These plans of study assume that you have completed no degree requirements **(see list below). Your** actual plan of study may vary from this example due to prior educational experience or individual goals. You should plan to work closely with your academic advisor to complete your personal educational plan and refer to the Catalog for pre-requisite information.

Bachelor of Science in Diagnostic Ultrasound
(designed for students with 180 credits remaining to degree)

	Fall Quarter	Winter Quarter	Spring Quarter	
FR	BIOL 161 / **171**	BIOL 162 / 172	SCI ELECT BIOL 163/173	
	CORE I	CORE I	**MATH 130 OR 131**	
	MATH 120	CORE I	CORE I
