DIUS

Bachelor of Science in Diagnostic Ultrasound
General Vascular Track

TYPICAL JUNIOR TRANSFER PROGRAM OF STUDY

2014-201

DEGREE REQUIREMENTS	CURRICULUM NOTES
Credits: minimum of 180 credits **Credits in major: 129** **GPA cumulative minimum: 2.5** **GPA major minimum: 2.5**	• All major courses must be graded C (2.00) or better • Students should refer to departmental handbook for policies on repeats and details about calendar year internship • Students must provide physician verification of good health and immunizations during junior year **For complete information on courses, prerequisites, etc, use this information in conjunction with the online Catalog (http://catalog.seattleu.edu/) for the current year.**

The example below assumes that you enter Seattle University with junior standing (90 credits), have earned a transferable associate's degree, and have successfully completed the following: 10 credits of general physics, 10 credits of anatomy & physiology, 5 credits of general biology with lab, 5 credits of biology elective, 5 credits of calculus and 5 credits of DIUS-approved science or math elective.
Students with AST may have additional core requirements depending on community college coursework
Your personal program of study may vary from this example due to prior educational experience or individual goals.
