ABOUT THE PROGRAM

The Seattle University Criminal Justice department offers you a wide variety of undergraduate degrees so that you can carve the career path of your choice. An interdisciplinary social science, we span across both the arts and sciences to provide you a deep understanding of the many facets involved with the study of crime and societal responses. Your studies in conceptual and empirical knowledge fosters sophisticated thinking, reflection and action that helps you become a leader in the field. Our curricula allow you the agency to drive your education as we provide you a strong academic foundation complemented with practical experience that prepares you for graduate study and a wide variety of careers within criminal justice.

Degrees offered: BA, BS with departmental honors

UNIVERSITY CORE REQUIREMENTS

The Core curriculum is Seattle University's common undergraduate educational experience. The Core is a thoughtfully designed, integrated curriculum created to help all SU students grow as scholars, as citizens, and as reflective and engaged whole persons.

Students who complete an approved Associates degree (DTA) will be guaranteed junior standing (90 quarter transfer credits) upon admission to Seattle University, and eight of the University Core requirements will be waived. The following Core courses must be taken at SU or another Jesuit institution:

- UCOR 2100 Theological Explorations
- UCOR 2500 Philosophy of the Human Person
- UCOR 2910 Business Ethics
