

Latin American & Latinx Studies electives 2023-2024

In addition to the below classes, you can take advanced 3000 and 4000-level SPAN classes, which will count towards your minor as well as any class that includes significant content about Latin America and/or Latinx topics. Also, you can do an independent study in Latin American and/or Latinx Studies. Just check in with Dr. Cosgrove for more information:
