

Tips for Transfers

- 01** Connect with your faculty and faculty advisors early on
- 02** The Arts and Sciences Advising Center will be there to help you throughout your time at SU, regardless of who your assigned advisor is. QR Code Below
- 03** Send SU your final official transcript from your previous school when you finish classes. If earning an Associate's degree, wait til that is posted on the transcript to send.
- 04** Join the Tau Sigma Transfer Student Honor Society if invited. To be eligible, you need at least 45 transfer credits and a 3.50 SU gpa in your first 12 credits.
- 05** Visit the Collegium spaces on campus (all students) and Outreach Center if you are a first generation college student or military connected. Details here <https://www.seattleu.edu/student-outreach/>.
