Website: <http://www.alstom.com>

Recruiting: Engineering
Full-Time Positions

The newest sector of ALSTOM, ALSTOM Grid has over 100 years of expertise in electrical grids. ALSTOM Grid Inc. is an active player around the globe. It designs, manufactures and supplies a complete range of products, systems and services for all stages of electricity flow, including energy automation and information, protection and control equipment, high and medium voltage switch gear, transformers and instruments. Whether for utilities or electro-intensive industries or facilitating the trading of energy, ALSTOM Grid brings power to their customers' projects.

ALSTOM Grid ranks among the top 3 in electrical transmission sector with a sales turnover of approximately € 3.5 billion in 2009. At the heart of the development of Smart Grid, ALSTOM Grid offers products, services and integrated energy management solutions across the full energy value chain—from power generation, through transmission and distribution grids and to the large end user. ALSTOM Grid Inc. employs approximately 1,000 persons in the United States and its corporate headquarters are located in Philadelphia, Pennsylvania. Its yearly gross sales are approximately \$400 million. The ALSTOM Grid group of companies have manufacturing facilities in 41 countries, a sales network in more than 100 countries, annual revenue in excess of €11.9 billion, and approximately 75,000 employees worldwide.

Amazon.com

Website: www.amazon.com/career

Recruiting: Business
Internship Positions

Amazon.com opened its virtual doors in July 1995 with a mission to use the Internet to transform book buying into the fastest, easiest, and most enjoyable shopping experience possible. While our customer base and product offerings have grown considerably since our early days, we still maintain our founding commitment to customer satisfaction and the delivery of an educational and inspiring shopping experience.

American Family Insurance (AFI)

Website: <http://www.amfam.com/about-us/careers/default.asp>

Recruiting: Business
Full-Time Positions

At American Family Insurance, we understand there is more to insurance than the policy and that people matter most. That's why our strong network of approximately 3,500 sales agents works so hard to understand the needs of our diverse customers.

Our service commitment means working with our customers and offering responsive and knowledgeable service from the point of sale and beyond. Ultimately, it means helping to ensure our customers' peace of mind through financial protection and personal attention.

Arthur J. Gallagher Risk Management Services, Inc

Website: www.ajg.com

Recruiting: Business
Internship Positions

We are an international sales and marketing company that plans and administers cost-effective, differentiated property/casualty and human resource risk management programs as broker, consultants and third-party administrators.

Our mission is to:

- Provide superior, cost-effective risk management products and services that meet the ever-changing needs of our current and prospective clients, while continuing to strive for the highest professional excellence in the delivery of those products and services.
- Provide our employees with an opportunity for professional growth, personal satisfaction and financial security.
- Build and maintain long-lasting, consistent, honest and profitable relationships with our insurance markets, which we recognize play a crucial role in meeting our clients' risk management needs.

EMPLOYER DIRECTORY

- Grow shareholder value by increasing our client base and dedicating ourselves to increased productivity, profitability and professionalism, resulting in long-term earnings-per-share growth.

We will accomplish our mission with the kind of leadership that will insure perpetuation of our corporate culture. We will also adhere to rigid moral and ethical standards in all of our dealings as we look to the challenges of the future with confidence in our ability to create and maintain a “Gallagher Team” that is the very best at what we do.

EFinancial

Website: <http://www.efinancial.com/>

Recruiting: Business
Full-time Positions

EFinancial.com was founded to provide insurance consumers quick, easy access to their life insurance policy. More than 5 years ago, Founder and CEO Michael Rowell thought that Life Insurance could be sold over the internet/phone rather than at the dinner table with your local insurance Salesman. This way customers would have the ability to shop and compare well known companies and choose the company that best fits them.

EMPLOYER DIRECTORY

We monitor over 100 life insurance companies and allow only the best and most competitive insurers onto the Efinancial network. Now you can do all your comparison shopping at one web site without wasting time with several agents or other sites that only quote a few companies.

You see, we believe the best, the only way, to serve local clients is to be a local company.

We provide office equipment from the leading manufacturers, such as; Canon, Toshiba, Konica Minolta, HP, Lexmark, Ricoh, Sharp...and many more. If you are looking for the best company in the industry, offering the top leading brands to their clients....then we want to hear from you.

Physio-Control, a division of Medtronic

Website: www.physio-control.com/about/careers/

Recruiting: Business and Engineering
Internship Positions

We make lifesaving tools for lifesaving teams... unique medical solutions of the highest quality, which predict or urgently intervene in life-threatening cardiorespiratory events.

Our Vision, "We envision a society in which no person dies suddenly as a result of a cardiorespiratory event."

We develop technologies and design devices according to the unique needs of our customers. Rather than one-size-fits-all solutions, Physio-Control products are designed for you, to work like you work. That's why our offerings include a full range of services and complementary products that form an emergency response system. Data management software, round-the-clock technical service, training, medical assistance, leasing programs and liability protection all work in partnership to help you perform the most critical task — saving a life. Paramedics, EMTs and firefighters trust our rugged and ultra-portable professional-grade tools. Clinical care providers choose our products to help them optimize patient care and improve operational effectiveness. Governments and employers partner with us to enhance public health and safety through intuitive, accessible, and easy-to-use lifesaving products.

Projectline Services, Inc.

Website: <http://www.projectlineinc.com>

Recruiting: Business
Full-Time Positions

Projectline is a Seattle-based marketing and consulting firm dedicated to advancing innovation through integrated Customer Engagement and Business Intelligence. Our exceptional team deftly manages successful marketing programs and business solutions, from strategy and planning to research and execution.

We hire experienced consultants who are enthusiastic, good-humored, and truly passionate about their work. Good people, it turns out, translate into good business. Since 2003, Projectline has grown from a team of three people to a company of more than 100; our growth was recognized in the Inc. 5000 lists for both 2008 and 2009. But, to be honest, we measure success by the well-being of our people and the happiness of our clients, not just our sales.

EMPLOYER DIRECTORY

Sherwin-Williams Company

Website: www.sherwinwilliams.com/mtp

Recruiting: Business
Full-Time & Internship Positions

Since its founding in 1866, The Sherwin-Williams Company has not only grown to be the largest producer of paints and coatings in the United States, but is among the largest producers in the world with annual sales of \$8 billion.

The Paint Stores Group is Sherwin-Williams' largest and fastest growing business segment. Most of the Group's sales are obtained through over 3,300 specialty paint stores, located in the United States, Canada and Puerto Rico. The Paint Stores Group also maintains the largest nationwide field sales rep organization in the industry, dedicated to developing the commercial and industrial wholesale markets.

We are proud to be listed as one of FORTUNE's "100 Best Companies to Work For," as well as listed in BusinessWeek with "Best Places to Launch a Career."

SNC-Lavalin Constructors, Incorporated (SLCI)

Website: <http://www.slthermal.com>

Recruiting: Engineering
Full-Time & Internship Positions

SNC-Lavalin is one of the leading engineering and construction groups in the world, and a major player in the ownership of infrastructure and in the provision of operations and maintenance services. SNC-Lavalin companies provide engineering, procurement, construction, project management and project financing services to a variety of industry sectors, including agri-food, pharmaceuticals and biotechnology, hydrocarbons & chemicals, environment, heavy construction, mass transit, mining and metallurgy, power and water management.

Founded in 1911, SNC-Lavalin has been active internationally for 50 years, establishing a multicultural network that spans every continent. The SNC-Lavalin companies have offices across Canada and in over 35 other countries around the world and are currently working in some 100 countries.

The SNC-Lavalin Thermal Power Division is a market leader in power plant engineering, procurement and construction, startup and commissioning. SNC-Lavalin's Thermal Power Division is a "one-stop shop" for thermal power solutions, from planning, pre-feasibility and feasibility studies, to detailed engineering, procurement, construction, start-up and commissioning of power facilities. We can provide EPC and EPCM services anywhere in the world. SNC-Lavalin is conscious of the environment and focused on integrating sustainability in the design and development of our projects.

The Boeing Company

Website: www.boeing.com/careers

Recruiting: Business & Engineering
Internship Positions

Boeing is the world's largest aerospace company and leading manufacturer of commercial jetliners and defense, space and security systems. A top U.S. exporter, the company supports airlines and U.S. and allied government customers in more than 90 countries. Boeing products and tailored services include commercial and military aircraft, satellites, weapons, electronic and defense systems, launch systems, advanced information and communication systems, and performance-based logistics and training.

Boeing has a long tradition of aerospace leadership and innovation. The company continues to expand its product line and services to meet emerging customer needs. Its broad range of capabilities includes creating new, more efficient members of its commercial airplane family; integrating military platforms, defense systems and the warfighter through network-enabled solutions; creating advanced technology solutions; and arranging innovative customer-financing options.

With corporate offices in Chicago, Boeing employs more than 159,000 people across the United States and in 70 countries. This represents one of the most diverse, talented and innovative workforces anywhere. More than 123,000 employees hold college degrees -- including nearly 32,000 advanced degrees -- in virtually every business and technical field from approximately 2,700 colleges and universities worldwide. Our enterprise also leverages the talents of hundreds of thousands more skilled people working for Boeing suppliers worldwide.

Washington Federal

Website: www.washingtonfederal.com

Recruiting: Business
Full-time & Internship Positions

Since our founding in 1917, we've operated with a long-term perspective. We don't look for short-term gains, but pursue conservative and time-proven banking practices. That's why we maintain capital levels that are more than twice the level considered to be "well capitalized." Washington Federal is now one of the top 50 largest banks in the U.S. and has paid a cash dividend to our shareholders for more than 100 quarters.

Wells Fargo Bank

Website: www.wellsfargo.com/careers

Recruiting: Business
Full-Time & Part-Time Positions

Wells Fargo & Company is a diversified financial services company providing banking, insurance, investments, mortgage, and consumer and commercial finance through more than 9,000 stores and 12,198 ATMs and the Internet (wellsfargo.com) across North America and internationally.

We're headquartered in San Francisco, but we're decentralized so every local Wells Fargo store is a headquarters for satisfying all our customers' financial needs and helping them succeed financially. One in three households in America does business with Wells Fargo. Wells Fargo has \$1.3 trillion in assets and more than 270,000 team members across our 80+ businesses.

We ranked fourth in assets and first in market value of our stock among our U.S. peers, and second in market value of our stock among financial services companies, as of March 31, 2012. Our vision: "We want to satisfy all our customers' financial needs and help them succeed financially."
