

**Seattle University MIT Program Endorsement Verification for Physics\*†**  
(Secondary)

Name \_\_\_\_\_ Phone Number \_\_\_\_\_ Email \_\_\_\_\_ Date \_\_\_\_\_ Planned Entry (Qtr & Yr) \_\_\_\_\_

Pre-Admission requirements: Applicants with an academic major in an endorsable area are given priority.

- 1) Hold a bachelor's degree from a regionally accredited university and have a minimum GPA of 3.0 in the last 90 quarter/60 semester credits. All courses must be a grade of C or better. Do **not** list courses that are a C- or below.
- 2) Have completed a minimum of 30 quarter/20 semester credits in physics including a lab course. Pass the WEST E test for Physics.
- 3) Complete this form including coursework that you plan to complete prior to the beginning of the MIT program\*\*. Courses can be listed in more than one category if appropriate, but credits are only counted once. If a course title does not specifically identify a content area, submit additional documentation. Acceptable documentation includes 1) copy of the catalog course description including the front cover of the catalog, indicating the name of the institution and year course was taken, 2) syllabus, or 3) letter from the chair of the department.
- 4) Submit this affidavit, any verification documents, and transcripts at the time of the application.

\*If you are currently enrolled in the MIT Program and this is an additional endorsement in a secondary subject, you may need to enroll in a subject methods module for two continuing education credits. Check with your advisor.

\*\*Coursework cannot overlap the MIT Program. For spring admits please note that the program begins three weeks prior to spring quarter.

†One endorsement is required for certification in Washington State. Additional endorsements must be approved by the MIT faculty at the end of the first block of the MIT program.
