

# Summer Quarter

*2-week intensive 6/24 - 7/5*

## **SOCW 393:**

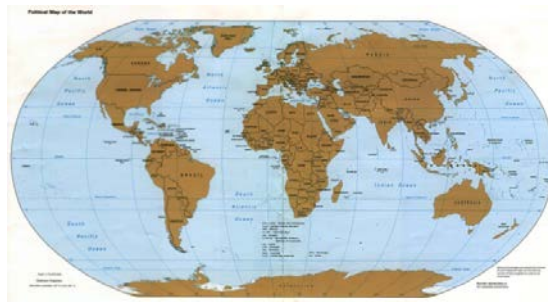

### **Global Development and Aid**

**(5 credits)**

-Elective for Social Work, International Studies, Women's Studies, & Global African Studies.

Explore the driving economic, social, cultural and political forces that drive global development, particularly in the global South and in Africa specifically. Learn about major aid and development institutions such as the UN, WTO, World Bank, IMF, Gates Foundation, WHO, Red Cross, Oxfam etc. Understand how policies are made and how these policies influence aid decisions, strategies and impacts.
