

Chartered Financial Analyst (CFA) Level I and II 2015 Exam Review Courses

The CFA Society of Seattle and Albers School of Business and Economics at Seattle University are jointly offering preparation courses for Level I and II candidates intending to take the June exam.

The program will feature instruction from professors, industry professionals and CFA charterholders. The class is designed to allow interaction with professors and charterholders on question and answer, test-taking techniques, as well as interaction with your fellow candidates. Candidates will be provided with the 6-book Schweser Study Notes and SchweserPro Software, Seminar Slide Workbook and Quicksheet. Class size may be limited, so please register early to ensure your spot. If you've already purchased a copy of the Schweser material, you may deduct \$150 from the registration fee.
