

PAYMENT PLAN E: EMPLOYER TUITION REIMBURSEMENT DEFERRED PAYMENT PLAN

Seattle University tuition is due on the following dates or 14 days after registration, whichever is later:

Summer Quarter: June 15 Fall Quarter: September 15
Winter Quarter: December 15 Spring Quarter: March 15

Each quarter's tuition must be paid in full ... or payment arrangements made ... no later than that date.

This is a quarterly plan for students who will be reimbursed by their employer for some or all of their tuition costs after they complete their coursework. The plan allows students to defer full or partial payment of tuition and fees based on documented assurance from the student's employer that a specific amount will be paid to the student who will immediately make payment to the University. This plan extends the payment due date for tuition and associated fees to 30 calendar days after grades are officially posted. The plan must be renewed each quarter the student would like to participate. It is the student's responsibility to ensure that payment is made by the assigned due date even if reimbursement from the employer is delayed or withheld.

Your completed application form must be accompanied by:

- 1. A \$30 non-refundable enrollment fee, paid by check or via SU Online, and
2. An original letter, on your employer's company letterhead, specifying the terms of your reimbursement.

Your completed application and \$30 payment must be received no later than your tuition due date each quarter as given above. Be sure to provide ALL the information requested below. An incomplete application may cause you to be responsible for late fees and/or reasonable collection fees.
