APPLICATION 2012–2013

## THE GRADUATE PROGRAMS OF SEATTLE UNIVERSITY

### Application Instructions and Procedures

Thank you for applying to Seattle University. This packet contains copies of the required admission documents for the Master of Software Engineering and Master of Science in Computer Science.

All application materials must be received by the application deadlines (shown below) to receive full consideration. Those whose applications are received after the deadlines will be considered on a space available basis. *International applicants should consult the additional information on the next page.*

All of the following documents are to be sent directly to Seattle University Graduate Admission Office using the address at the top of the application form:

- Complete graduate application form and a \$55 non-refundable application fee. The fee may be waived for Seattle University alumni and employees.
- Submit an official, degree-posted transcript in the original sealed envelope from the last 90 quarter/60 semester credits of your bachelor's degree, including any transfer institution credit earned during this time period. Official transcripts from any post-baccalaureate institution will also be required. Excep-

tions to the policy are noted with the degree requirements.

- Evidence of the minimum of an earned four-year baccalaureate degree from a regionally accredited institution or U.S. equivalent.
- Students for whom English is a non-native language must demonstrate English proficiency regardless of English language studies, residence in the United States or an English-speaking country, or immigration status. Graduate applicants with a baccalaureate or higher degrees from recognized colleges in the U.S., Canada, Great Britain, Ireland, New Zealand or Australia and who have continued to reside in countries where English is the primary language for at least two years prior to applying to Seattle University will have this requirement waived. English proficiency may be met with an official TOEFL score of 92 (IBT), or 580 (PBT); the IELTS exam with a minimum score of 7.0; PTE score of 62 or an institutional MELAB result of at least 83%.

Refer to the documents required by the program on the next page of this application packet.

#### Priority Application Deadlines for Terms of Entry 2012-2013

Fall Quarter	July 20
Winter Quarter	November 20
Spring Quarter (see 'International Applicants')	February 20

*International Student Deadlines may be earlier; see page 3*

# College of Science and Engineering

Applicants will be considered individually as their application file becomes complete. Admission decisions are made on a rolling basis.

## **Computer Science**

*Additional documents required for application to the Master of Science in Computer Science program:*

- 1) One set of official transcripts from the last 90 quarter/60 semester credits of your bachelor's degree indicating a minimum GPA of 3.00. Please include official transcripts for any transfer institution credit earned during this time period, as well as for any post-baccalaureate work.
- 2) Official scores for the Graduate Record Examination (GRE). Only test taken within the past five years will be accepted. This requirement can be waived for applicants holding U.S graduate degrees from an accredited institution.
- 3) Two SU MSCS recommendation forms from academic and/or professional references who have evaluated academic work or supervised practical experience and are able to assess the applicant's potential as a graduate student.
- 4) Letter of intent (1-2 pages) discussing background, interests, and reasons for wanting to pursue a Masters degree in computer science
- 5) Completed Prerequisite Form indicating plan for meeting required coursework. Applicants who have not taken all required courses may be considered on a case-by-case basis through evaluation and consideration of relevant work experience as noted on the back of this form as well as consideration of other admissions criteria.
- 6) Professional résumé summarizing academic and related work experience, if any.

## **Software Engineering**

*Additional documents required for application to the Master of Software Engineering program:*

- 1) One set of official transcripts from the last 90 quarter/60 semester credits of your bachelor's degree indicating a minimum GPA of 3.00. Please include official transcripts for any transfer institution credit earned during this time period, as well as for any post-baccalaureate work.
- 2) Official scores for the Graduate Record Examination (GRE). Only test taken within the past five years will be accepted. This requirement can be waived for applicants holding U.S graduate degrees from an accredited institution.
- 3) Professional résumé demonstrating two years of full-time work experience in software industry.
- 4) Two professional recommendations on SU MSE Recommendation Form. At least one of the two should be from a supervisor.
- 5) Professional autobiography (1-2 pages) discussing background, interests, and reasons for pursuing a Master's degree in Software Engineering.
- 6) Software Engineering Applicant Information (form provided with this packet) showing working knowledge of at least one programming language such as C++, C#, or Java

## **International Applicants**

In order to allow for application processing, overseas mailings, and visa processing, international applicants living overseas should submit an application six to nine months prior to the quarter they wish to enroll or the program deadline, whichever is earlier. Students who submit complete applications before the following dates will receive priority consideration:

Fall Quarter	April 1
Winter Quarter	September 1

Spring and summer quarter new student enrollments not open to those on I-20 visa.

A evaluation requiring official transcripts is required from all applicants who attended or completed their bachelor's and / or master's degree at an institution outside of the United States. The evaluation is not an English translation of the mark sheets, but a separate document completed by an evaluation service which shows that the degree received outside the US is equivalent to a US degree and a GPA is calculated. Seattle University only accepts evaluations from the following agencies: 1) Educational Credential Evaluators (ECE) – We require the Course by Course Evaluation with Grade Average. More information on the transcript evaluation process and the evaluation application can be found at [www.ece.org](http://www.ece.org) or 2) Educational Perspectives (EP) – We require the Detailed/Course by Course report. Directions and additional information specific to Seattle University can be found at <http://www.edperspective.org/seattleu/>

### ***Transcripts***

In addition to the transcript evaluation, applicants must also submit to Seattle University Graduate Admissions one set of official transcripts, mark sheets, and degree certificates for all institutions attended in the last two full years of coursework in both original language and in English.

*\*\*\* Documents must be received in an unopened envelope sealed by the institution to be considered official. Photocopies, scanned copies, and faxes are not accepted as official documents.*

### ***Declaration of Finance***

International applicants seeking an F-1 student visa must also submit the Declaration of Finances form available with this application packet before I-20 documents can be issued.

### ***Culture and Language Bridge Program***

Certain programs may consider applicants with a minimum TOEFL of 86 (IBT), 567 (PBT), IELTS score of 6.5, PTE score of 58 or an institutional MELAB result of 80%, but you will be required to participate in the graduate section of the Culture and Language Bridge (CLB) program in your first term of study. The CLB program develops all phases of academic English and helps students overcome cultural barriers in the classroom. The graduate section is a 6-credit program and a 5-credit Business Communications class taken in the first quarter for students who have completed the equivalent of English 110 and based on a placement exam. For more information about CLB, call 206-296-6064 or consult the website at [www.seattleu.edu/academics/bridge/](http://www.seattleu.edu/academics/bridge/).

# Prerequisite Form

INSTRUCTIONS: Complete this form if you are applying for the MSCS program using the information on the reverse side for details. Students who have not completed the following required undergraduate courses must complete the required courses or equivalents before obtaining regular status in the program.

Applicant Name \_\_\_\_\_

Month and date of birth (MM/DD) \_\_\_\_\_

**Pre-requisite Courses**

Required course	Equivalent course	# of credits	Term of course completion or planned completion	Grade earned	Institution where course was/will be completed	Office use only
CPSC 310 <b>Design and Analysis of Algorithms</b> 5 quarter credits						
CPSC 320 <b>Object-Oriented Development</b> 5 quarter credits						
CPSC 341 <b>Operating Systems and Networks</b> 5 quarter credits						
CPSC 370 <b>Fundamentals of Databases I</b> 5 quarter credits						

*See reverse side for course descriptions and opportunity to note related work experience*

Please refer to the course descriptions below when selecting courses to fulfill the prerequisites for the MSCS program. On credit on the semester system is generally equivalent to 1.5 credits on the quarter system. *Courses must be taken within ten years of your intended quarter of admission unless otherwise indicated.*

---

**CPSC 310 Design and Analysis of Algorithms** (5 quarter credits)

Advanced data structures (e.g. sets, graphs, priority queues) and their application; algorithm analysis and design techniques, such as divide and conquer, greedy methods, branch and bound, etc. Asymptotic analysis of algorithms and introduction to computability theory.

**CPSC 320 Object-Oriented Development** (5 quarter credits)

Fundamentals and principles of object-oriented development, including classes, containment, inheritance, overloading and polymorphism. Object-oriented analysis, design and programming.

**CPSC 341 Operating Systems** (5 quarter credits)

Computer system overview (devices, interrupts, memory hierarchy), and the basic concepts of operating systems from an applications programming perspective. Topics include processes, process scheduling, threads, deadlock, synchronization, memory management, I/O, and networking.

**CPSC 370 Fundamentals of Databases I** (5 quarter credits)

Introduction to database management systems, architecture, and environment. Relational database design including data modeling and schema design. Coverage of SQL query language for application development. Overview fundamental concepts of transaction management, security and recovery control.

## Declaration of Finances.

Please use enclosed form and obtain the appropriate signatures. Students receiving scholarships from their governments or employers must submit letters verifying such scholarship awards.

*Immigration policies requires that Seattle University verify the financial resources of all international applicants. This form is for that purpose.*

*Please note the estimated costs are for one academic year (three quarters). You are required to certify that you or your sponsor have the amounts calculated below. These estimated costs do not include transportation costs to and from the United States.*

*It is important to remember that student visa holders are not authorized to work in the United States except under special circumstances. You should not plan on supporting your education through employment while being a student. **There is no financial aid available for international graduate students.***

### Instructions for completing the Declaration of Finances form

- Find your total yearly estimated costs.
- Have your sponsor complete, sign, and date the student section of this form.
- Have the bank verify your sponsor's funds and sign and date the bank verification section (include bank stamp or seal).
- If the bank verification section is submitted with a bank letter, please be certain it certifies sufficient funds as stated below.
