Key to the Undergraduate Program Evaluation

**CATALOG:** The year of Catalog that contains the requirements you must complete to earn a degree. The Catalog can be found at catalog.seattleu.edu.

**ANT COMPLETION DATE:** The month and year by which you plan to finish your degree. This is an estimated date; confirm this date with your academic advisor. In order to get a more accurate and personalized anticipated graduation date, create an Educational Plan found at: seattleu.edu/advising/planning/education

**PREVIOUS INSTITUTIONS:** All institutions attended, dates attended, degrees earned and credits granted.

**TEST/OTHER CREDITS ACCEPTED:** All Advanced Placement (AP), International Baccalaureate (IB), College Level Examination Program (CLEP) and other test credits. You must send your official scores to the university.

**GENERAL ELECTIVES:** If transfer courses appear here that you wish to have applied to University Core, College, or Major requirements, contact your advising center with the course syllabus for review.

*Please note the Program Evaluation is divided into sections, each of which isolates particular requirements.*

---

**PROGRAM STATUS BOX**

This box lists your progress toward achieving the required total number of credits and GPA.

The credits area of this box lists the number of credits required for the degree, completed at SU, transfer, test and other credits, and the estimated remaining credits for degree completion. **Meeting the minimum credit requirement does not necessarily mean that all program requirements have been met.**

The GPA area of this box lists current GPA and the minimum cumulative and major GPA requirements. Your SU GPA will only include SU coursework, not transfer credits.

---

**CORE CURRICULUM BOX(ES)**

These box(es) reflect your progress toward completion of Seattle University CORE curriculum requirements. For more information regarding courses that may be applied to particular CORE requirements please refer to the Catalog online at catalog.seattleu.edu

---

**SCHOOL/COLLEGE REQUIREMENTS**

This box will list any school or college specific requirements to your program.

---

**MAJOR and MINOR BOX(ES)**

These box(es) list the courses required for the major(s) and minor(s) you have declared. For more information regarding these requirements please refer to the catalog for the year listed above.

---

**GENERAL ELECTIVES**

This box lists all courses which do not apply to your CORE curriculum requirements or to your current major(s) and minor(s), but which are included in your total number of credits and cumulative GPA (SU courses only).

---

**TRANSFER/OTHER CREDITS**

This box lists total number of transfer and test credits.

---

**CODES and NOTES**

The codes box lists a legend for any codes that appear on your program evaluation, refer to the key/legend.

The notes box is a place where your Academic Specialist will communicate important information about your program evaluation.
