Become an ethical, strategic business leader.
The Online MBA From Seattle University

The **Online MBA** program from the Albers School of Business and Economics trains today's business professionals to identify, understand, and solve leadership challenges at any professional level. It is designed to grow your ability to make and justify difficult decisions, to strengthen your approach to forming key relationships, and to sharpen your ethical sensibility.

Immerse yourself in an Online MBA program that can transform how you conduct business by demonstrating the power of fair process and holistic operations. Because successful business is about more than profit: It's about people.

Program Benefits

- Earn a respected, AACSB-accredited MBA online
- Enjoy Albers' proven track record of graduate employment with such notable companies as Amazon, Microsoft, and Boeing
- Develop values-centric, ethically driven business practices in a **curriculum** built to promote empathy, mutual understanding, and cross-functional collaboration
- Study, discuss, network, and track your grades and progress through our intuitive **online learning management system**
- Choose to take **a two-week study abroad course** and learn more about international business topics alongside Seattle U on-campus students

Online Program Structure

- 19 courses
- 54 credits
- 1 required **on-campus retreat**
- 10 weeks per course
- Can be completed in as few as 2.5 years
- 4 annual start dates: fall, winter, spring, and summer

*Probational admission contingent upon completion of the program's first 12 credits with a minimum GPA of 3.0 may be offered to students who do not meet these initial criteria.

**Applicants for whom English is a non-native language must demonstrate English proficiency regardless of English language studies, academic history, residence in the United States or other English-speaking countries, and immigration status. However, graduate and post-baccalaureate applicants who received a baccalaureate degree or higher from Seattle University or a recognized college or university in the United States, Canada, Great Britain, Ireland, New Zealand, or Australia, and who remain in a country where English is the primary language for at least two years after graduation, will not be required to submit an English proficiency test score.

Admissions Requirements

- Completed **online application form**
- **Bachelor's degree** with a **GPA of 3.0 or higher** (on a 4.0 scale)*
- **Optional GMAT or GRE test scores.** This testing requirement is now considered optional for anyone applying to a non-law graduate program that begins in the 2023-24 academic year (summer of 2023 through spring of 2024)
- **Resume** demonstrating a minimum 2 years of professional work experience
- **Unofficial transcripts** from all undergraduate post-baccalaureate work

  Once enrolled, official transcripts must be submitted before the student's second quarter.

Math Prerequisites

Because successful business leaders must have quantitative and analytical skills to make sound business decisions, the Albers Online MBA curriculum includes several courses that will help you develop those skills.

To ensure that you get the most benefit from these courses, we require all students beginning the program in summer 2023 or later to complete three short online refresher courses from Harvard Business Publishing covering **algebra, probability, and statistics**.

- Total time for the three online courses is 8.5 hours
- Total cost is $30

Elevate Your Professional Profile

The **Online MBA program** offers an immersive learning experience that prepares you to tackle today's greatest business challenges with an ethical focus and values-driven practices. With a focus on empathy, communication, and cross-functional collaboration, the Online MBA will prepare you to:

- Understand, integrate, and apply substantive business knowledge in a global context
- Assess, interpret, and act upon key financial, logistical, and other quantitative data
- Identify opportunities and problems, generate alternatives, and justify recommendations
- Recognize and address moral and ethical challenges and defend a course of action
- Communicate effectively across audiences and modes

Master the skills and values to thrive in business today.
