Albers School of Business and Economics
Joint Degree in Law and Professional Accounting

Students must be admitted separately to both the School of Law and the Albers School of Business and Economics. For the School of Law admissions requirements, please refer to the School of Law application process page. Students may be admitted to both schools before starting in the joint program; alternatively, students may seek admissions to the other school during their first year of law or graduate business school. In any case, students will be expected to meet the respective school’s admissions deadlines for the coming year. All application materials must be received by the application deadline to receive full consideration. For application deadlines and entry terms, refer to the priority deadlines. International applicants and those with international transcripts should consult the International Requirements Page, for deadlines and other requirements, as they may differ.
