• Official or unofficial copies of transcripts, degree certificates, and exam score reports for every school attended in the last 60 semester/90 quarter credits as well as any post-baccalaureate credits. You may upload the unofficial transcript(s) for your institution(s) within the Academic History tab of the application. You may also upload the transcript(s) following the submission of your application via your Status Page. Upon an offer of admission, you will be required to submit official copies of provisional documents within your first quarter of enrollment.

• Washington State requires two skills tests for all teacher education applicants—the WEST-B and WEST-E/NES exams which are required prior to starting the program but not needed to apply. Registration information about both tests is available. The ACTFL is required for those applying for an Endorsement in a Designated World Language (DWL) prior to the start of the program. Additional test requirements should be reviewed prior to completing application.

Students earning a degree in a country other than those listed above may provide official documentation from the degree-granting institution verifying that all instruction was in English. A minimum of three years of enrollment at the university is required. English proficiency may be met with an official TOEFL score of 86 (IBT), or the IELTS exam with a minimum score of 6.5; PTE score of 63; or Duolingo score of 110.
• Two recommendations. One from a K-12 teacher or supervisor who has observed you facilitating students in a diverse K-12 classroom setting.
