College of Science and Engineering
Master of Science in Computer Science

APPLICATION INSTRUCTIONS AND PROCEDURES

All application materials must be received by the application deadline to receive full consideration. For application deadlines and entry terms, refer to the priority deadlines. International applicants and those with international transcripts should consult the International Requirements Page, for deadlines and other requirements, as they may differ.

- Complete graduate application form and submit the $55 non-refundable application fee. The fee is waived for Seattle University alumni and employees.
- Evidence of the minimum of an earned four-year baccalaureate degree from a regionally accredited institution or U.S. equivalent. Submit a degree-posted transcripts from the last 90 quarter/60 semester graded credits of your bachelor’s degree, including any transfer institution credit earned during this time period. Transcripts from any post-baccalaureate coursework also required. Minimum GPA of 3.0 required.
- Scores from a Graduate Record Exam (GRE) taken within the last five years. Requirement can be waived for applicants holding U.S. graduate degrees from regionally accredited institution. This requirement has been made optional for applicants applying for the 2020-21 academic year in response to the COVID-19 epidemic.
- Graduate and post baccalaureate applicants who received a baccalaureate degree or higher from Seattle University or a recognized college or university in the United States, Canada, Great Britain, Ireland, New Zealand, Australia, Bahamas, Jamaica, Kenya, Singapore, and Trinidad and Tobago will not be required to submit English proficiency test scores. Students earning a degree in a country other than those listed above may provide official documentation from the degree-granting institution verifying that all instruction was in English. A minimum of three years of enrollment at the university is required. English proficiency may be met with an official TOEFL score of 86 (IBT), or the IELTS exam with a minimum score of 6.0; PTE score of 63; or Duolingo score of 110.
- Two recommendations using the MSCS recommendation form from academic and/or professional recommenders who have evaluated academic work or supervised practical experience and are able to assess applicant’s potential for graduate study
- Letter of intent (1-2 pages) discussing background, interests, and reasons for wanting to pursue Master’s degree in computer science.
- Completed MSCS Prerequisite Form provided indicating plan for meeting required coursework. Applicants who have not taken all required courses may be considered on a case-by-case basis through evaluation and consideration of relevant work experience as noted on form as well as consideration of other admissions criteria.
- Professional résumé summarizing academic and related work experience, if any.
Seattle University does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, marital status, sexual orientation, gender identity, political ideology, or status as a Vietnam-era or special disabled veteran in the administration of any of its education policies, admission policies, scholarship and loan programs, athletics, and other school-administered policies and programs, or in its employment related policies and practices. All University policies, practices and procedures are administered in a manner consistent with Seattle University’s Catholic and Jesuit identity and character. Inquires related to these policies may be referred to the University’s Vice President for Human Resources and University Services and Equal Opportunity Officer at (206) 296-5870.
