### DEGREE REQUIREMENTS
- Credits: minimum of 180 credits
- Credits in major: 78
- GPA cumulative minimum: 2.0
- GPA major minimum: 2.0

### CURRICULUM NOTES
- Choose from one of the following four specializations (20 credits): Ecological Systems; Environmental Education and Communication; Politics, Policy and Justice; or Urban Sustainability.
- Courses included in a specialization cannot satisfy requirements elsewhere in the major.
- The choice of a specialization should be made before the completion of 90 credits toward the degree and must be certified by submitting an “Addition of another Major, Degree or Specialization” form to the Office of the Registrar.

The example below assumes that you enter Seattle University with junior standing (90 credits), have earned a transferable associate’s degree, and have successfully completed the following:
- EVST 1600 Environmental Perspectives
- Language 1150, 1250, and 1350

For complete information on courses, pre-requisites, etc., use this information in conjunction with the online Catalog (http://catalog.seattleu.edu/) for the current year.

Your personal program of study may vary from this due to prior educational experience or individual goals.

*Indicates prerequisite required for course  
C Indicates co-requisite required for course
