### INTERNATIONAL STUDIES Bachelor of Arts

### CURRICULUM NOTES

- The International Studies major requires a learning program in a country other than the United States. An acceptable study abroad experience for the International Studies major includes a minimum of 15 quarter credits, or its equivalent in semester credits, provided that the student meets full-time status in the chosen study abroad program.
- Students educated to the age of 16 in schools outside the United States may request a waiver of the INST study abroad requirement.
- INST Electives: Choose a total of 15 credits of approved electives as found in the Course Catalog and listed on the International Studies department website, in consultation with your academic advisor. At least 5 of these 15 elective credits must have a non-Western humanities designation (NW).
- Students who place out of second year language (2000-level) must take 30 credits of INST major electives instead of 15 credits.
