**Notes:**
- The International Studies major requires a learning program in a country other than the United States. An acceptable study abroad experience for the International Studies major includes a minimum of 15 quarter credits, or its equivalent in semester credits, provided that the student meets full-time status in the chosen study abroad program.
- Students educated to the age of 16 in schools outside the United States may request a waiver of the INST study abroad requirement.
- INST Electives: Choose a total of 15 credits of approved electives as found in the Course Catalog and listed on the International Studies department website, in consultation with your academic advisor. At least 5 of these 15 elective credits must have a non-Western humanities designation (NWH).
- Students who place out of second year language (2000-level) must take 30 credits of INST major electives instead of 15 credits.

Access the tool online at [https://www.transferology.com/school/seattleu](https://www.transferology.com/school/seattleu) to determine how your courses may transfer to SU. Some courses not listed on Transferology may still transfer to SU. For courses not found on Transferology, compare course descriptions with SU's course catalog to determine equivalent courses at your college/university: [http://catalog.seattleu.edu/](http://catalog.seattleu.edu/).

**Work closely with your academic advisor to plan your individualized program of study and the other co-curricular components of your educational plan.**
