### Degree Requirements
- Credits: 180
- Credits in major: 130-135
- GPA cumulative minimum: 2.5
- GPA major minimum: 2.5

### Curriculum Notes
- All major courses must be graded 2.0 or better
- Students should refer to handbook regarding policies for repeats and calendar year internships.
- Students must provide physician verification of good health and immunizations during junior year
- As shown 105 credits.

The example below assumes you have completed the following prerequisites:
- Enter Seattle University with junior standing (90 credits)
- Have earned a transferable associate’s degree or equivalent

Core
- Completion of General Biology, Biology elective, Anatomy and Physiology I and II, Physics I and II, 1 quarter calculus, and science/math elective

Your personal program of study may vary from this due to prior educational experience or individual goals.

" Indicates prerequisite required for course  
" Indicates co-requisite required for course

For complete information on courses, pre-requisites, etc., use this information in conjunction with the online Catalog [http://catalog.seattleu.edu/](http://catalog.seattleu.edu/) for the current year.
