FINANCIAL ACCOUNTING		Required before Analytical Core Courses	
Course Name (Options, pick 1)	Link	Length of Course	Cost
Principles of Business Accounting By: Seattle University	https://www.seattleu.edu/business/graduate/courses--syllabi/non-credit-courses/principles-of-business-accounting/	One Quarter Summer '19 or Winter '20	\$675+Fees
***Accounting Waiver Exam	https://seattleu.qualtrics.com/jfe/form/SV_bI0yyPIEAIUaprD *Request test password from your advisor	90 Mins	N/A

***If you feel you have a substantial amount of accounting knowledge, and would prefer not to take the prerequisite class, you have the option of taking a 90-minute waiver exam. Students who pass with 80% or above, can be waived out of the prerequisite (please send a screen shot of your test score to your advisor). If you do not pass, you will be required to take the class above, the next time it is offered. This class will need to be completed before you can begin your analytical core. You are only allowed one chance to pass this test.

BUSINESS CALCULUS		Required by the end of year one	
Course Name	Link	Length of Course	Cost
Business Calculus By: Seattle University	https://www.seattleu.edu/business/graduate/courses--syllabi/non-credit-courses/business-calculus/	One Quarter Summer '19 or Winter '20	\$675+Fees
