## CUSTOMIZE YOUR PART OR FULL TIME MBA

The Professional Master of Business Administration (MBA) program at Albers uses an innovative approach to teaching that integrates skills and concepts into an experiential learning environment. You not only learn valuable business skills, but are challenged to incorporate them in real world situations. This program is designed to allow you the opportunity to customize your MBA degree according to your interests and career goals. Two thirds of the 54 credits are elective courses - this means that you can freely select 10 of your classes and attain the depth you need in the area(s) you choose.
