Hi Barb,

Good Morning. I used a software to get a word to word transcript. Since it has to match up with the audio, I believe this would be perfect for that.

Thanks
Vidya

Hi Vidya,

I hope you had a great weekend and were able to relax a bit. I found out just now that I need a close transcription of the dvd, not the general ideas I had originally told you. Because there are no visuals, we need to put a transcription on the web to go along with the audio. So, please do this.

Thank you.
Barb
