Chapel of St. Ignatius Policies

Specific guidelines regarding decorations and use of the Chapel space

- Chapel Capacity: Saint Ignatius Chapel seats approximately 230 people in pews with additional standing room not to exceed the Fire Code Regulation capacity of 299. Additional seats may not be added.

- Access to the Chapel: There are two options for wedding times – 12pm and 5pm on Saturdays. The Chapel is available to the couple for the **12pm slot from 9:30am-1:30pm**, and for the **5pm slot from 2:30pm-6:30pm**. Couples may begin their ceremony earlier during their designated access time, but it must be at least one hour after the Chapel access time (i.e. after 10:30am or 3:30pm). Our Chapel staff arrive one hour before the ceremony start time. The bridal party is welcome to arrive earlier, and designate someone to call Public Safety (x5990) to unlock the restrooms/bride’s room.

- Environment: During each liturgical season the Chapel will have different environmental set up. The Chapel is available to the couple “as is” for their wedding. The Chapel staff will not move any of our decorations, plants, or environment for a
wedding. You may move plants (in consultation with the Chapel staff), but you must return everything to the default setting after your wedding.

**Flowers**: Arrangements for the altar are permitted, but our staff recommends an arrangement in front of the ambo, or behind the altar (flanking the gold leaf). Speak to Campus Minister for Liturgy for information and ideas for flowers. Please let us know ahead of time if you intend to donate the flowers from your wedding to the chapel.

**Pew Decorations**: Affixing flowers or candles to the chapel pews is not allowed due to damage concerns.

**Aisle runners or items on the floor**: are not permitted due to safety concerns

**Thrown flower petals (fresh or made of silk)** are not permitted due to damage concerns, and the safety of those walking.

**Candles** beyond those used in the sanctuary for the altar or ambo are not allowed. In keeping with the liturgical rites of the Catholic Church, “Unity Candles” are not used.

**Tables for programs and guest book**: These may be placed in the narthex. The Chapel staff can offer you small stands for this purpose.

**Food and Drink**: Eat and drink well before your wedding. Food and drink are not allowed in the chapel, except in the Narthex and the Bride’s Room, and you are welcome to use the outdoor spaces near the Chapel. Please designate someone to clean up all food waste from the Chapel after your wedding, to ensure the cleanliness of the Chapel for others’ use. All food waste must be disposed in bins outside the Chapel.

Limited flash photography is permitted, but any flash photography during the ceremony must be muted. Video cameras are permitted but the camera must remain behind worshippers in a fixed position throughout the ceremony, and video lighting is not permitted. A Chapel wedding coordinator and an altar server will be present to facilitate the rehearsal walk-through and ensure that all in attendance feel comfortable and confident about their roles.

- **Marriage License:** The couple should bring their marriage license to the rehearsal, completely filled out with the couple’s information. The Campus Ministry staff will prepare it for the wedding day. The legal paperwork will be mailed to the county by the Campus Ministry staff. Part II: PLANNING YOUR LITURGY

Roman Catholic marriage ceremonies follow a set pattern as laid out in the Order of Celebrating Matrimony ritual book. There are two basic forms of the marriage ceremony: the Rite of Marriage (Without Mass), and a Nuptial Mass. Both contain liturgies of the Word, but only the Nuptial Mass contains the celebration of Eucharist.

Every year the Campus Ministry Team holds a **Wedding Planning Evening**, which is required for all couples. This event provides sacramental formation and liturgical education with a ceremony walk-through accompanied by live music to share ideas and best practices.

The Campus Minister for Liturgy will provide you with a book (*United in Christ*) to help you select readings for your liturgy, and a **Ceremony Template**, including all the choices for the couple to make regarding the ceremony, and the order of people in the procession. Please complete and submit the Ceremony Template at least 30 days before your wedding liturgy. The *United in Christ* book should be returned at your rehearsal so that other couples may use it.

- **Liturgical Music**: Work with the Campus Minister for Liturgical Music to select musicians and music for your wedding liturgy. Wedding music personnel should include at least one cantor and accompanist familiar with Catholic worship. All music in the liturgy must be played live and should be sacred music appropriate for the liturgical setting. The Campus Minister for Liturgical Music will provide a resource list of recommended Chapel musicians and options for music selection. The Campus Minister for Liturgical Music must approve all music selections at least 30 days before the wedding.

- **Worship Aid**: We strongly encourage you to create a robust worship aid (program) which allows everyone to participate fully as witnesses to your marriage. Consider including spoken and sung responses. The Campus Minister for Liturgical Music can offer you sample templates.

- **Ministers of hospitality**: to greet your guests and distribute worship aids. Consider how you can help your friends and family to gather together with hospitality and a prayerful spirit. Will you greet them as a couple at the door? Will you ask a few friends or relatives to offer hospitality as others begin to arrive?

- **Seating**: While it is common in many places to designate a bride’s side and a groom’s side, the Catholic Order of Celebrating Matrimony makes no mention of where people should sit. Think about what seems most hospitable to you. How can you symbolize the joining of your families? What will help your guests come together in a spiritual bond of prayerful support?
Order of the Service:

- **Procession:** Only one continuous song, played live. Must be a classical/sacred piece of music. The order of procession is as follows:
  - Altar Server (provided by Campus Ministry)
  - Presider (priest or deacon)
  - Wedding Party (arranged according to your preference) Some couples do not have attendants, but choose to have important friends or family members as part of the procession. These could include godparents, grandparents, etc.
  - Groom escorted by parents, Bride escorted by parents

  Couples may choose to walk down the aisle together, as ministers of the sacrament of marriage. In a Catholic wedding, the procession is linked with all other liturgical processions and is a joyous, celebratory way to move people from one place to another. Processions signal beginnings, endings, or transitions from one part of a liturgy to the next.

- **Introductory Rites/Welcome/Opening Prayer** (led by the priest/deacon)

- **Liturgy of the Word:** choose lectors (readers) who can proclaim not merely read out loud. At least one of your readings must directly refer to marriage (indicated in the resources provided by the Campus Minister for Liturgy).
  - Hebrew Scriptures (Additional options during Easter Season) Read by: ___
  - Responsorial Psalm (led by your cantor)
  - Epistle from New Testament (optional) Read by: ___
  - Sung Alleluia (led by your cantor)
  - Gospel Reading (read by priest/deacon)

- **Celebration of Matrimony.** The couple stands before the congregation (who are all witnesses) and declare their freedom and desire to enter into marriage. The priest/deacon stands facing the couple in the main aisle, among the assembly.
  - A declaration of consent / proclamation of vows in the standard Roman Catholic format.
  - A blessing and exchange of rings
  - Optional cultural adaptation: the exchange of arras (coins)
  - Song of Praise/Thanksgiving

- **Universal Prayer** (Prayers of the Faithful): intercessory prayers, prepared by the couple in advance. The Campus Minister for Liturgy will offer a sample. Can be led by one or two readers.

- **Lord’s Prayer** (Our Father)

- **Lazo and Veil** (optional cultural adaptations)
• **Nuptial Blessing**: A special blessing for the bride and groom. It’s a tradition in the Chapel to have the bride and groom move to the center aisle and be surrounded by their friends and family in a web of blessing for this special prayer.

• **Final Blessing**

• **Closing Hymn/Recessional**: The couple would lead the way out of the church, followed by attendants and family. The couple/witnesses/priest or deacon would immediately sign their marriage license.

• **Bell Ringing**: A tradition at the Chapel is for couples to ring the bells of the Chapel (outside, but the Reflection Pool) immediately following signing their marriage license. Bells in the Christian tradition signal the passage of time, celebration, or important threshold moments. All guests are invited to circle the Reflection Pool so they can celebrate with the couple during the bell ringing.

**Further requirements for the Celebration within Mass:**

*Both the bride and the groom, as well as a majority of those attending should be Catholic if you choose to celebrate marriage within a mass, so as not to exclude those gathered.*

If celebrating within mass, a **Gloria** is sung during the introductory rites, before opening prayer. The liturgy is the same as above up to after the Universal Prayer:

• **Preparation of the Table**: Gifts are brought up by 2 people, Preparation music: ________________

• **Eucharistic Prayer**: Parts of the mass are sung. Mass setting: ______

• **Lord’s Prayer** ([Our Father](http://example.com))

• **Lazo and Veil** (optional cultural adaptations)

• **Nuptial Blessing**

• **Sign of Peace**

• **Communion Music**:

• **Eucharistic Ministers**: Number needed varies depending on number of assembly anticipated. The bride and groom, if interested, can also serve as Ministers of Communion.

• **Final Blessing**

• **Closing Hymn/Recessional**: The couple would lead the way out of the church, followed by attendants and family. The couple/witnesses would immediately sign their marriage license.
