Reminder! Post-School Survey phone call

Your high school teachers want to know how you’re doing!

• What has life been like since leaving high school?
• Are you continuing your education?
• Are you working or trying to get a job?

We’re looking forward to talking with you soon!
Dear former student,

Within the next few months, someone from your school district will call and ask you to complete a short survey about your activities since leaving high school.

• The survey is voluntary.
• It will take 5-10 minutes.
• Your answers are confidential.
• Your participation will help other students.
