FACULTY FELLOW RESEARCH PRESENTATIONS

Tuesday, November 1, 2016
12:30 - 1:30 PM | ENG 200
Wyckoff Auditorium

Join us for a presentation by CEJS Faculty Fellows: Dr. Efird will discuss his ethno-graphic analysis of Environmental Learning Centers in Japan, China, and the U.S. Dr. Mishra will speak on how renewable energy integration in electric grids can cut electricity demand.

Dr. Robert Efird
Chair of the Department of Anthropology, Sociology and Social Work

Dr. Aditya Mishra
Assistant Professor, Computer Science and Software Engineering
