

Proposed External Reviewers

The College of Arts and Sciences requires evaluations from peers outside the university which can speak to the quality and significance of the candidate's scholarly/ creative work. Candidates for Tenure and Promotion to Associate Professor are required to have two evaluations while candidates for promotion to full professor must have three. Candidates are to propose eight potential reviewers to chairs; chairs in turn should review and rank those according to A&S Rank and Tenure guidelines before submitting to the Dean's Office. *Note: The requested number of proposed reviewers is increasing from 5 to 8 to ensure that the Associate Deans are able to find an available reviewer.*
