

## Seattle University MIT Program Endorsement Verification - Adding a Middle School Endorsement

*Must have either an Elementary or Secondary endorsement to add this endorsement.*

Name \_\_\_\_\_ Phone Number \_\_\_\_\_ Email \_\_\_\_\_ Date \_\_\_\_\_ Planned Entry (Qtr & Yr) \_\_\_\_\_

**Note:** Candidates certified at the elementary (K-8) or secondary (5-12) levels are qualified to teach at the middle school level without this endorsement. However, the MIT Program recommends that you take the Middle School WEST E test(s) in the subject(s) you desire to teach.

Requirements for adding a Middle School Endorsement:

- 1) Have completed the minimum credit requirements for Middle School Humanities, Middle School Mathematics, and/or Middle School Science as outline on the form. A grade of C or better is required in all content coursework. Do **not** list coursework that is a C- or below. All TEED (MIT) courses require a grade of B (3.0) or better. Pass the WEST E test(s) for Middle Level Humanities (Middle Level Humanities Subtest 1 & 2), Middle Level Mathematics, and/or Middle Level Science.
- 2) Complete this form including coursework that you plan to complete prior to the beginning of the MIT program<sup>1</sup>. Courses can be listed in more than one category if appropriate, but credits are only counted toward the required totals once. If a course title does not specifically identify a content area, submit additional documentation. Acceptable documentation includes 1) copy of the catalog course description including the front cover of the catalog, indicating the name of the institution and year course was taken, 2) syllabus, or 3) letter from the chair of the department.
- 3) Submit this affidavit, any verification documents, and transcripts at the time of the application.
- 4) All coursework must be completed no later than August 10 the year that you enter the MIT Program. For the humanities endorsement, Seattle University College of Education Continuing Studies Program offers Pacific Northwest History, Civics, Geography, and Economics as a 3-credit graduate elective in the summer.

Undergraduate major(s) \_\_\_\_\_ Undergraduate minor(s) \_\_\_\_\_ Graduate degree (if appropriate) \_\_\_\_\_

### AFFADAVIT

I, \_\_\_\_\_, certify (or declare) under penalty of perjury under the laws of the state of Washington that the foregoing is true, complete, and correct.
