

Seattle University MIT Program Endorsement Verification - Adding a Middle School Endorsement*

Must have either an Elementary or Secondary endorsement to add this endorsement.

Name _____ Phone Number _____ Email _____ Date _____ Planned Entry (Qtr & Yr) _____

Note: Candidates certified at the elementary (K-8) or secondary (5-12) levels are qualified to teach at the middle school level without this endorsement. However, the MIT Program recommends that you take the Middle School WEST E test(s) in the subject(s) you desire to teach.

Requirements for adding a Middle School Endorsement:

- 1) Have completed the minimum credit requirements for Middle School Humanities, Middle School Mathematics, and/or Middle School Science. See table below and on the next page for course and credit requirements for each. A grade of C or better is required in all content coursework. Do **not** list coursework that is a C- or below. All TEED (MIT) courses require a grade of B (3.0) or better. Pass the WEST E test(s) for Middle Level Humanities (Middle Level Humanities Subtest 1 & 2), Middle Level Mathematics, and/or Middle Level Science.
- 2) Complete this form including coursework that you plan to complete prior to the beginning of the MIT Program.** Courses can be listed in more than one category if appropriate, but credits are only counted once. If a course title does not specifically identify a content area, submit additional documentation. Acceptable documentation includes 1) copy of the catalog course description including the front cover of the catalog, indicating the name of the institution and year course was taken, 2) syllabus, or 3) letter from the chair of the department.
- 3) Submit this affidavit, any verification documents, and transcripts at the time of the application.
