Alternative Routes tends to be shorter, more convenient, more affordable, and more practically oriented.

Washington State has four alternative routes that cater to specific populations. All four routes lead to full residency certification - the first level regular teaching certificate.

- **Route 1**: For district staff (e.g., paraeducators) with an associate's degree
- **Route 2**: For district staff and paraprofessionals with a bachelor's degree
- **Route 3**: For “career changers” with a bachelor’s degree
- **Route 4**: For district staff with a bachelor’s degree and a limited certificate
