

DEGREE REQUIREMENTS	CURRICULUM NOTES
<p>Credits: minimum of 180 credits Credits in major: 130 *GPA cumulative minimum: 2.50 *GPA major minimum: 2.50</p> <p>*Students must first earn a GPA minimum cumulative of 2.5 and a GPA minimum of 2.5 in pre-requisite courses to begin major</p>	<ul style="list-style-type: none"> All major courses must be graded "C" (2.0) or better Students begin their Diagnostic Ultrasound coursework in their Junior year after successful completion of general and prerequisite requirements. Students enter the program as a cohort, or class, and progress through their course of study together. Courses in the curriculum are integrated and must be taken in order. Students choose to pursue either a General Vascular (GV) or Cardiovascular (CV) track of study
<p>• For complete information on courses, prerequisites, etc, use this information in conjunction with the online Catalog (http://catalog.seattleu.edu/) for the current year.</p>	
<p>The example below assumes that you enter SU with junior standing (at least 90 credits), or have earned either a transferable Associate of Arts or Bachelor's degree. Additionally, it assumes you have successfully completed the following prerequisite courses:</p> <p style="padding-left: 40px;">Biology 1610: Biology I Molecular and Cellular Biology with Lab Biology or Math Elective: Biology course with lab above 1610, or 5 credit Math higher than Calculus I Biology 2200: Anatomy and Physiology I with lab Biology 2210: Anatomy and Physiology II with lab Physics 1050: Mechanics (algebra-based) with lab Physics 1060: Waves, Sound, Electricity, and Magnetism (algebra-based) with lab Math 1130 OR Math 1230 : Business Calculus OR Calculus for Life Sciences Science Elective: General Chemistry (suggested)</p> <p>**Your personal program may vary from this example due to prior educational experience or individual goals**</p>
