### DEGREE REQUIREMENTS
- Credits: minimum of 180 credits
- Credits in major: 137
- GPA cumulative minimum: 2.75
- GPA major minimum: 3.0

### CURRICULUM NOTES
- Major prerequisite courses for all BSN nursing students must be completed before the nursing course sequence begins (Winter quarter of sophomore year).
- Students must earn a C (2.0) or better in all nursing and prerequisite courses.
- Students are expected to be available the first day of the quarter through the last day of finals week.
- Clinical placements will be made by the undergraduate clinical placement team.

For complete information on courses, pre-requisites, etc., use this information in conjunction with the online Catalog [http://catalog.seattleu.edu](http://catalog.seattleu.edu) for the current year. The example below assumes you have completed no degree requirements. Your personal program of study may vary due to prior educational experience or individual goals.

P indicates prerequisite courses used in calculating your nursing major GPA.
