This flyer is provided for guests who will be staying in Seattle University residences this summer. Below is some helpful information for our guests. Please do not hesitate to get in touch if you have any questions not answered here!

**Conference Cards**
You will receive a plastic Conference Card at check-in. This will be programmed with applicable access for your specific residence exterior building door as well as for the elevator. For programs that have arranged for meals, your card will also have your individualized meal plan programmed on it.

**Room Keys**
You will receive an individual key for your residence bedroom. Our bedroom doors are weighted to close automatically and will lock behind you, so make sure you have your key with you at all times! Our staff can let you in your room if you lock your key inside, but the fee for lost or improperly returned keys is now $175 + tax (the entire lock is changed).

**Summer Temperatures**
Seattle is famous for its rain, but visitors are often pleasantly surprised to find that most of our summer days are warm and sunny! Although the average temperatures are in the low 70s, at times temperatures can reach upward of 90 degrees. Residence halls and many campus buildings do not have air-conditioning. Fans for your residence room can be rented at the front desk while supplies last.

**Optional Amenities**
For an additional fee per person, per week, you can select an iron/ironing board, hair dryer, fan, and/or Keurig coffee maker with coffee or tea. All are available at your residence hall front desk on a first-request basis.

**Fitness on Campus**
The Redhawk Center, including the Eisiminger Fitness Center, features over 180,000 square feet of recreational, fitness, and athletic space. Amenities include free weights, lap pool, basketball and squash courts, and dry saunas. Day or week passes may be purchased at the front desk.

**Meals**
If your program has arranged for meals, you will be given information on the specific meals at check-in. Special dietary needs can be accommodated upon request; please let your program organizer know immediately of your needs so that arrangements can be made for you. Meal hours will be provided in the handout and posted in the residence.
