1. Banking Services. Bank will, during the term of this Agreement, be the exclusive provider of Banking Services that may be accessed by Users through ID Card. “Banking Services” means certain financial products linked to ID Card, including checking accounts and automated teller machine ("ATM") services, as described in this Agreement.

1.1 Transactions.

1.1.1 Standard ID Card. Bank will provide a checking account at Bank to qualified Users who request such an account, including students, faculty and staff of University, which may be accessed through ID Card and will permit PIN-based point of sale ("POS") debit and automated teller machine ("ATM") transactions through the standard ID Card.

1.1.2 Card Selection and Activation. Users will have the option of selecting the standard ID Card without Banking Services (dormant ATM card), the standard ID Card with Banking Services. Users with an active Bank checking account are able to activate the ATM/PIN based POS functionality on the standard ID Card.

Additionally, all Bank-branded ATM’s on University campus will be free of transaction charges to Bank checking account holders when accessing their account with Bank ATM/Debit Card or linked ID Card throughout the Term of this Agreement and any renewal periods. Additional enhancements to Banking Services will be subject to further agreement of both parties.

1.4 Eligibility. Eligibility for ID Cards will be at the sole discretion of University, but a User’s eligibility for Banking Services shall be at the sole discretion of Bank.
2. Automated Teller Machines. Bank will continue to operate the 2 existing ATMs on University’s campus. The number, operation, and placement of ATMs is governed by and subject to a separate ATM Placement Agreement between Bank and University. In the event ATM Contract is terminated, Bank has the right to terminate this Agreement upon ten days’ advance written notice to University.

3.1 ID Card Issuance and Maintenance. University will be responsible for ID Card issuance and maintenance. University may contract all or a portion of the process of manufacturing, encoding, issuance and maintenance to third parties, but shall do so subject to the Technical Specifications for Banking Services contained in EXHIBIT A ("Technical Specifications") of this Agreement.

3.2 Other Functionality. It is understood that ID Card will include the ability to perform other electronic functions in addition to Banking Services. University shall be responsible for ensuring that any such functions will not interfere with Banking Services functions and the specifications defined in this Agreement, which shall be verified by Bank through testing of ID Card to ensure ID Card functions properly.

4. Lost, Stolen, and Canceled Cards. University shall use reasonable efforts to advise Users who report a lost or stolen ID Card to ID Card office to also notify Bank directly, but is in no way responsible for a User’s failure to notify Bank. Notice to Bank should be made by the User calling 1-800-USBANKS, or by such other notification procedure as may be set forth by Bank from time to time. Bank is not involved in any stored value function which may be attached to ID Cards, and Bank is not responsible to University or any User for any losses associated with the stored-value function of ID Card, unless due to the act or negligence of Bank, its employees or agents.

8.0 Representations and Warranties. Each party represents and warrants as follows:

8.1 No Conflict. Neither the execution nor the delivery of this Agreement, nor performing the activities contemplated by this Agreement, violates or conflicts with any applicable law, regulation, or rule, or contract to which the party is subject.

8.2 Authority. Each party has the authority to enter into this Agreement and has received all necessary approvals.

8.3 University Authority. University has the authority to enter into this Agreement on behalf of its member institutions, and further has the authority to ensure that the terms of this Agreement are adopted and followed by its member institutions.

8.4 No Other Agreements. University warrants and represents that it does not currently have, nor will have during the course of this Agreement, any relationships with other financial services companies other than Bank that would compromise the exclusivity provisions of this Agreement or the purposes for which this Agreement was entered by Bank.

9.1 Bank Indemnification of University. Bank will defend, hold harmless, and indemnify University from and against any liabilities, losses, damages, costs, and expenses, including reasonable attorneys’ fees, which University may suffer or incur by reason of Bank’s negligence or the willful misconduct of employees, agents or officers of Bank arising out of the performance or nonperformance of services under this Agreement. In the event Bank seeks indemnification from University, Bank will provide notice to University of the events leading to the claim as soon as known to Bank and Bank will allow University to control the defense of such claims in return for University's indemnification. Bank acknowledges that Users are not by definition employees, agents or officers of University and University assumes no liability for the individual acts of Users. In no event shall University be responsible for the amount of any costs, fees, interest, penalties or account overdrafts incurred by Users on accounts established with Bank.

10. License. Both University and Bank may, at their sole cost and expense, advertise the existence and location of ID Card and ATMs established pursuant to this Agreement in such media and in such manner as each deems appropriate. University and Bank grant to each other a non-exclusive, royalty-free license to use the others' registered and common law trademarks in advertisements promoting ATMs and ID Card pursuant to this Agreement. Nothing herein shall give to University and Bank any right, title or interest in the others' trademarks (except the right to use in accordance with this Agreement). The trademarks are the sole property of the owner and any and all uses of the trademarks shall inure to the benefit of the owner. These trademark licenses expire with this Agreement. The prior written approval of each party shall be obtained with regard to any advertisement that refers to both parties. Such prior written approval is not to be withheld without a good-faith concern regarding the quality or subject matter of the advertisement. The cost of any such joint advertising undertaken by either party shall be shared between the parties as agreed by them prior to such advertising being undertaken by either of the parties. Notwithstanding anything to the contrary contained herein, University expressly consents to the use of its trademark logo on Bank-issued checks and check cards in connection with this Agreement, and such consent survives the termination of this Agreement and Users' affiliation with University.

The penetration percentage above will be determined by dividing the number of active University student checking accounts by the universe of potential prospects (student enrollment numbers). The scale above is based upon 7,800 potential participants.

U.S. Bank wants to help the University grow your penetration rates as quickly as possible. With our unique penetration calculation method, we offer you the greatest ability to see higher returns throughout the life of the contract. While we only use the total number of students for the denominator in our penetration calculation, any faculty and staff members that choose to bank with U.S. Bank will be counted in the numerator of the penetration percentage calculation. Additionally, as long as a student or faculty/staff member maintains an active checking account with U.S. Bank, the University continues to be paid for that account in the scale regardless of their continued affiliation or enrollment in the University. With this model, the penetration percentage could easily remain above 70% in the latter years of the contract resulting in maximum return to the University.
As an added bonus, U.S. Bank will include all current Seattle University customers into our penetration calculation. The customer base as of April, 2010 is 333. Including those customers gives Seattle University a 4% penetration rate from day one of the partnership.

4. During the life of the Seattle University campus banking contract, U.S. Bank will dedicate “soft dollars” (monies spent by us toward the increased performance of the card program). The minimum annual sum of the “soft dollars” supporting the Seattle University partnership is $18,000 per year.

All students with open Bank checking accounts are able to activate the ATM/PIN based POS functionality on the standard ID Card, for no additional fee.

Section 1.3 of the Agreement is deleted in its entirety and the following language is substituted in its place thereof for all purposes:

1.3 Account Features. Bank will offer a checking account product with student and workplace benefits, account features and fees are available upon request. Bank reserves the right to amend or enhance such features and fees from time to time, but will never charge additional fees for opening a student checking account, or allow the ID Card to be marketed, portrayed or converted into a credit card. Additionally, all Bank-branded ATMs on University’s campus will be free of transaction charges to Bank account holders when accessing their account with a Bank ATM/Debit Card or linked ID Card throughout the Term of this Agreement and any renewal periods. Amendment of Section 7 Term and Termination

Section 7.3 and 7.4 are deleted in their entirety and the following language is substituted in place thereof for all purposes:

7.3 Termination for Complaints or Fees.

7.3.1 Complaints. University will complete and share with Bank a biennial due diligence review of student complaints associated with Bank’s accounts provided in connection with this Agreement. After joint review University may terminate this Agreement upon 90 days’ notice to Bank if University determines the fees assessed students under this Agreement are not consistent with or are above the prevailing market rates for the Banking Services.

7.4 Termination for Change in Law. Bank may terminate this Agreement at any time with 90 days’ notice to University without liability, except for liabilities accrued prior to the termination, upon the issuance of any order, rule or regulation by any regulatory agency, national association, or administrative body or the decision or order of any court of competent jurisdiction that is controlling or binding on Bank or prohibiting any or all of the services contemplated in this Agreement, or if such order, rule or regulation restricts the provision of such services so as to make the continued provision thereof unprofitable or undesirable, or will be unduly restrictive to the business of Bank or will require burdensome capital contributions or expenditures.

7.5 Termination; Effect on Users. University and Bank agree that each User who has a checking account with Bank attached to an ID Card shall be a customer of Bank and, upon any termination of this Agreement pursuant this Section 7, or upon Users leaving University, each User shall remain a customer of Bank unless such User chooses to terminate his or her account with Bank. Bank may solicit such Users in order to sell them the full range of banking products during the term of this Agreement or after its termination. University reserves the right to solicit such Users after the termination of this Agreement, in order to sell them any banking products offered through University by any party. Upon any termination of this Agreement pursuant to this Section, University shall cooperate with Bank in order to de-link the User accounts from ID Card. Bank acknowledges that ID Cards and the ISO numbers used for ID Card accounts are and shall remain the property of University at all times.

7.6 Survival. The rights and responsibilities of each party as embodied in Section 5 (“Marketing”) regarding the use of marks and other intellectual property, Section 6 (“Royalty Schedule”) relating to outstanding amounts due, Section 9 (“Indemnification; Losses”) regarding indemnification, and Section 12.8 (“Confidential Information”) regarding the use and preservation of confidential information will survive the termination of this Agreement.
