

*Only required for student/F1 visa applicants

International Graduate Student Declaration of Finances

Confidential financial statement of personal or family support.

- Notes:**
- Please read all application instructions on the reverse side before completing this form.
 - Immigration policies require that Seattle University verify the financial resources of all international applicants. This form is for that purpose.
 - Please fill out the entire form, sign and date, and obtain the appropriate sponsor and bank signatures.
 - Please note the estimated costs are for **one academic year** (six credits per quarter for three quarters). You are required to certify that you or your sponsor has the amounts calculated below. These estimated costs do not include transportation costs to and from the United States.
 - Students receiving scholarships from their governments or employers must submit letters verifying such scholarship awards.
 - **It is important to remember that student visa holders are not authorized to work in the United States except under special circumstances. You should not plan on supporting your education through employment while being a student.**
