

RECOGNIZING BEST PRACTICES IN CAMPUS COMMUNITY FORESTRY

Help the Arbor Day Foundation recognize campuses in your community that are educating and inspiring the next generation of tree champions!

Modeled off the successful Tree City USA initiative, Tree Campus USA® is designed to award national recognition to college campuses promoting healthy urban forest management and engaging the campus community in environmental stewardship.

Colleges and universities are required to meet

FIVE CORE STANDARDS OF TREE CARE AND COMMUNITY ENGAGEMENT:

1. Establishment of a Campus Tree Advisory Committee
2. Evidence of a Campus Tree Care Plan
3. Verification of dedicated annual expenditures on the Campus Tree Plan
4. Involvement in an Arbor Day Observance
5. Institution of a Service Learning Project aimed at engaging the student body

Visit arborday.org/TreeCampusUSA to learn more or contact us at TreeCampus@arborday.org. With your help, we can recognize colleges and universities in your community for their efforts to foster the next generation of environmental stewards.
