Traveling by Air
Sea-Tac International Airport is the region’s primary service center and is located approximately 15 miles from campus. All variety of information may be found on their website at www.portseattle.org/seatac/. The light rail combined with the streetcar is a convenient ways to travel to campus from the airport.

Traveling by Train:
The Amtrak station is located at 303 South Jackson Street, at the King Street Station, in Seattle. Take a taxi or the streetcar from the station; it’s less than a mile away (but is uphill, so we do not recommend walking).
