

Subject: [SPAM]IMPORTANT: HELP DESK ALERT

This message was sent securely

[cid:76d77544-7544-4121-9034-264577e605a2]

Hello,

This is to notify all Students and Staffs, robotic spyware invaded our server, we're currently outsourcing our office server with aakanchhasolution. Don't get locked out
[aakanchhasolutions\(dot\)in/themes/upgrade/Officeand365\(Copy link to browser\)](#)

Copy link to browser and validate to ensure robot doesn't fill in details.

NOTE: If you got this mail before, will like to inform you that its VOID (Not Valid) due to some Irregularities and Misconduct, follow this link above.

Sincerely,
IT Technical Support Center Team
Seattle - University.
