

Call History

Call History allows you to view information about the last 150 calls on your phone. A call icon is displayed to indicate the type of call:

- Received
- Placed
- Missed

The caller ID is displayed with the call icon. If the caller ID is unavailable, then the phone number is displayed. If the phone number is unavailable, then “Unknown” is displayed. All Call History items are integrated into one list and are ordered by time (latest to oldest). There is 150 call limit per phone and not per line. For example, if a phone has multiple lines, the 150 call limit is for all lines combined. You can sort the Call History list by all lines, each line, or by missed calls. You can also dial a number directly from the Call History list.
