**To All People Living on this Planet**

**1. Pollution, Waste & Throw-Away Culture**

**2. Everything is Connected**

**3. Technology**

**4. Combat Poverty**

**5. What is progress?**

**6. Our Common Home**

**ECOLOGICAL CONVERSION:**

- ability to resolve the world's problems with creativity & enthusiasm

**TECHNOCRATIC PARADIGM:**

- As rational individuals, we have power over creation. But is our own uniqueness recognized?

**How do we generate Resistance?**

**INTEGRAL ECOLOGY**

- The whole is greater than the sum of the parts

**PRAISE BE TO YOU**

On Care for Our Common Home

**Pope Francis**

**JESSICA PALMER**
