Introductory Remarks

Luke Green, Fellowships Coordinator

Congratulations from the President

Stephen Sundborg, S.J.

Introduction of the Scholarship Recipients

Mentor of the Year Award

The Office of Fellowships would like to offer a special thanks to the many faculty and staff who served as mentors, letter writers, proofreaders, and committee members throughout the 07-08 academic year. The recent scholarship success of Seattle University students would not have been possible without all of you.

Thank you.
