

Seattle University Orientation Guide – Steps to Download Our Guide App to Your Mobile Phone

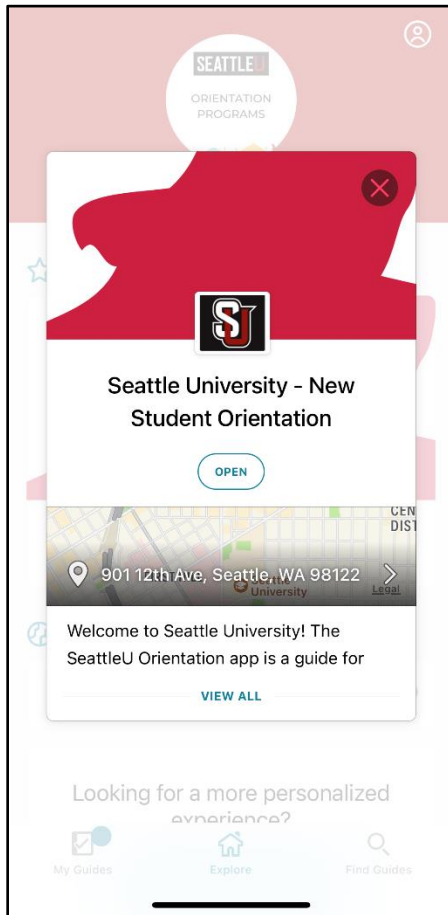

1. Search for “Seattle University Orientation” in your app store. The following image displays our app. Download the app to your phone.
2. After you download the app, click the app’s icon to open the app. The following image displays what you will see on your phone. Tap the SU icon in the “Featured” section.
3. The following box will pop up. Click “Download Guide” to access the Seattle University Orientation Guide. Depending on your connection, this may take a few minutes.

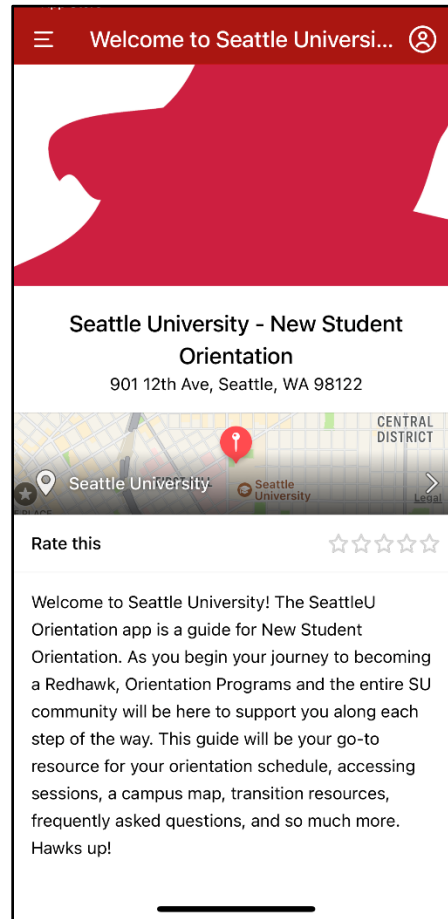

Note: These screenshots were taken on an iPhone. The display on Android phones may differ slightly, however, all content of the app will be the same. Additionally, These screenshots were taken in mid-August 2022. The most up-to-date menu and content may alter slightly leading up to and during Fall Welcome.

Seattle University Orientation Guide – Steps to Download Our Guide App to Your Mobile Phone

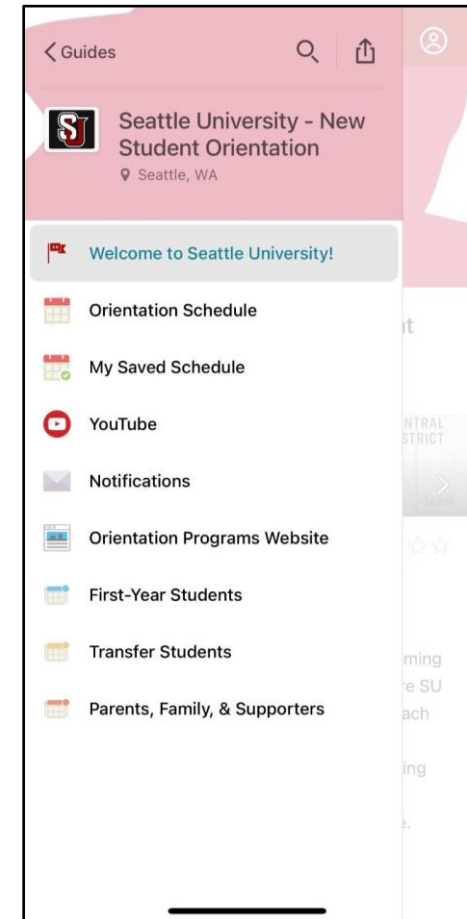

4. After the Guide has finished downloading, the button on your pop-up box will change to say “Open”. Click here to open the Seattle University Orientation Guide!

5. The following image displays what your Guide will look like once you open it.

6. Tap the three bars in the top left corner of the screen to access our Guide’s menu. The following image displays the current menu.
