SEATTLE U DANCE MARATHON CELEBRATES 10 YEARS!

This year, Seattle University's largest student-led philanthropic group is going to help save more lives at Seattle Children's Hospital than ever before! SU Dance Marathon raises money for Seattle Children's Hospital’s uncompensated care fund & Strong Against Cancer Fundraising Initiative. For their 10 year anniversary, and the university’s 125th anniversary, their goal is to raise $125,000 by February 18th and remain the largest Dance Marathon on the West Coast. This year over 400 SU students will sign up to participate in our 16 hour marathon, featuring patient stories, community performances, games, auctions, full catering and so much more!

Last year, SUDM surpassed its Miracle Day goal of raising $9K in just 24 hours and this year they believe they can fund raise even more. Join SUDM January 25, 2017, as we attempt to fund raise 25 thousand dollars in one day and gets closer and closer to raising $125,000 For The Kids!
