

2016-17 REQUEST FOR ADDITIONAL INFORMATION: DEPENDENT STUDENT

The income and/or other resources reported for your parents' household on your 2016-17 FAFSA verification documents appear unusually low. We need to understand how your parents were able to support their family on the amount of money reported. So that we can fully understand your family's financial situation, please provide the information requested below about both your family's monthly expenses and any resources, benefits and other amounts received by you and/or any members of your parents' household that were not required to be reported on your FAFSA or the associated worksheets submitted to Seattle University's Student Financial Services Office. These would include, but are not limited to, resources such as federal veteran's education benefits, military housing, SNAP, TANF, etc.

If more space is needed, provide a separate page with the student's name and Seattle University ID number at the top of the page.
