

2016-17 REQUEST FOR ADDITIONAL INFORMATION: INDEPENDENT STUDENT

The income and/or other resources you reported on your 2016-17 FAFSA verification documents appear unusually low. We need to understand how you were able to support yourself (and, if applicable, your family) on the amount of money you reported. So that we can fully understand your family's financial situation, please provide the information requested below about both your monthly expenses and any resources, benefits and other amounts received by you and/or any members of your family's household that were not required to be reported on your FAFSA or the associated worksheets submitted to Seattle University's Student Financial Services Office. These would include, but are not limited to, resources such as federal veteran's education benefits, military housing, SNAP, TANF, etc.
