Job search strategies are available by visiting the SU Career Services Office and/or its web site: <https://www.seattleu.edu/careerservices/handshake/>

The Student Financial Services Office posts on-campus and off-campus student employment opportunities for all students on Handshake. Please note that Handshake postings include opportunities for students who have been awarded work study as well as for those who want to work part-time but do not have work study as part of their financial aid award.
