### Per DUAL ENROLLMENT POLICY (#75-6)

Consideration of dual enrollment for undergraduate students is initiated when a student submits a "Transfer Verification Request" form to the Registrar. Approval must be obtained in advance of enrollment at the second institution.

There are limited circumstances when dual enrollment is appropriate. Please indicate which approved circumstance applies to you:

\_\_\_\_\_ When a student would significantly benefit from a course not offered at Seattle University but available at another institution

\_\_\_\_\_ When, because of infrequency of a particular offering, taking the course at Seattle University would unreasonably delay graduation, a delay which could be avoided by dual enrollment

\_\_\_\_\_ During a one quarter transition when a student first transfers to Seattle University while still completing course work at the institution from which he or she is transferring
