Validation of Field Experience (per credit hour)	\$90
Credit by Examination (per credit hour)	\$95

** The Enrollment Confirmation Deposit is a confirmation of intended enrollment for new Undergraduates for Fall Quarter. It will be applied to the tuition charges for fall. Students who decide not to attend SU after submitting a confirmation deposit will be eligible for a \$200 refund until August 1st.

Students attending for Winter or Spring Quarter are not required to submit tuition deposits.

Mandatory Enrollment Fees

Wellness Fee

The mandatory Wellness Fee provides funding for several health and wellness resources that benefit all Seattle University students, including access to [TimelyCare](#). In addition, the wellness fee provides access to the university fitness center, online and in-person health and wellness programs, and allows Seattle U an opportunity to develop new resources and services for on-campus and online students.

Technology Fee

The mandatory Technology Fee makes up a small portion of the funding for Information Technology Services (ITS). In part, the Technology Fee is used to assist with the cost of core student systems (e.g., Canvas, mySeattleU, Microsoft Office), Public Safety systems, Internet service, networking, and much more.

Matriculation Fee

The one-time mandatory Matriculation Fee offsets the cost of maintaining and storing academic records.

Orientation Fees

The one-time mandatory orientation fee enables a holistic engagement experience that supports transition to the Redhawk Community. The fee offsets the cost of sessions and events such as expert speakers and event facilitators, community meals, and student mementos.

Program Specific Fees

Nursing BSN: Applies beginning the spring quarter of the student's sophomore year: \$463

Course Specific Fees

Some courses have additional associated fees. These are listed in the course section details on mySeattleU when conducting a search for classes.

Seattle University tuition and fees are set yearly and subject to change each summer quarter for the coming year. Seattle University reserves the right to revise its charges at any time without prior notice.

Cost of Attendance and Financial Need

To prepare a student's financial aid award, the Student Financial Services Office subtracts the Expected Family Contribution (EFC) as calculated from the information provided on the student's FAFSA, from the estimated cost of attendance, often referred to as the student budget, to determine financial need.

Following are sample student budgets for the **2022-23 nine-month academic year for full-time students**, undergraduates enrolled for 12-20 credits, and graduate students enrolled for 6 credits:

Budget Category	Undergraduate Student Living On or Off Campus	Undergraduate Student Living With Parents or Relatives	Graduate Student* Living On or Off Campus
Tuition	\$50,328	\$50,328	\$14,292
Books & Supplies	\$900	\$900	\$900
Technology Fee	\$546	\$546	\$366
Wellness Fee	\$450	\$450	\$345
Activity Fee	-	-	\$30
Room	\$8,445	\$2,910	\$9,609
Board	\$5,079	\$2,190	\$419
Personal Expenses	\$2,400	\$2,400	\$2,400
Transportation	\$1,650	\$1,650	\$1,650
Total Budget	\$69,798	\$61,374	\$33,711

**Enrollment requirements and tuition rates for graduate students vary program-by-program so actual tuition and book costs vary widely from this sample budget.*

After financial need has been determined, Student Financial Services prepares a financial aid award, including as much aid as the student is eligible to receive within the constraints of both the student's need and the availability of funding. Depending on a student's eligibility, a financial aid award will include one, some or all of the following types of aid: scholarships and/or grants, work opportunities and loans.

A student can see the costs and EFC used to prepare their financial aid offer by accessing their Financial Aid Self Service portal via mySeattleU online.

Room and Board

2022-23 Residence Hall Room Charges

Bellarmino, Campion, and Xavier	Quarterly	*Academic Year
Double	\$2,815	\$8,445
