

Opal: Food+Body Wisdom, a locally and clinician owned, eating disorder treatment facility in the University District of Seattle, Washington, offering Partial Hospitalization, Intensive Outpatient and traditional outpatient services. We are looking for skilled individuals who want to join our team to provide quality treatment and work along side a passionate and caring staff.

Job Type: Full time Family Therapist

Job Title: Full-Time Primary Therapist

Job Location: Seattle; University District

Number of Positions Open: 1

Salary Range: Commensurate to experience, benefits package included

Job Description: Responsibilities:

- o Provide family, individual and group therapy for our Partial Hospitalization Program, Intensive Outpatient Program and Outpatient Program clients
 - o Facilitate specific groups based on skills, training and interest, which may include multi-family groups and family psycho-education/process groups
 - o Collaboration with other members of a multi-disciplinary treatment team
 - o Be the point person responsible for communication between clients' identified family and treatment team
 - o Maintain clinical documentation and other administrative tasks required for competent care
- Requirements:
- o Must be a fully licensed therapist in the state of Washington as a MFT, LMHC, LMFT, LICSW, LASW or a Licensed Psychologist (associates licensure not accepted for this position)
 - o System approach desired – strong team work skills needed
 - o Alignment with Opal values – view our website to learn more about our approach
 - o Alignment with HAES philosophy desired
 - o Interest in ACT and RO-DBT preferred
 - o Experience working with eating disorder patients is highly desired
 - o Experience working as family therapist, with identified mental illness, desired
 - o Current credentialing with insurance panels is highly desired
