SEATTLEU

SUMMER TIP SHEET

40%
Discount on all undergraduate courses during Summer

If you're thinking about taking classes this summer, below is all the relevant information needed for registration. Questions? Contact an advisor or the Director of Summer Programs, Dr. Victor Evans, at summer@seattleu.edu.

WHY REGISTER FOR SUMMER CLASSES?

- It is a great way to get ahead or catch up in a student's major.
- It is a fantastic opportunity to boost GPA or retake classes that students had trouble completing.

• It gives students the opportunity to spend the summer in Seattle!

IMPORTANT LINKS:

Pre-college students looking to get involved in summer programs, information can be found at our pre-college page. Students NOT currently enrolled at Seattle University, visit our <u>non-matriculate admissions</u> <u>page</u> for more information about enrolling or auditing summer classes.

REGISTRATION TIPS FOR EXISTING SU STUDENTS:

Registration for summer classes will be done through *myseattleu.edu*.

It is recommended that you plan your degree over multiple quarters so you get an idea of the bigger picture. Information and help with planning can be found on *our student planning page*.

SUMMER HOUSING:

Seattle University offers safe and convenient housing for students over the summer. Housing is available to all students regardless of enrollment in summer classes. There are options for shared housing and single occupancy, as well as different lengths of stay to accommodate your needs.

Full information about summer housing can be found on our <u>summer housing</u> page.

TUITION AND FINANCIAL AID:

Student financial aid is applied to Fall, Winter and Spring quarters; Summer tuition is an additional cost. Continuing SU students receive a 40% discount for Summer Quarter tuition on undergraduate courses. Information about pricing can be found on the Summer Programs page.

IMPORTANT DATES:

Information about start dates can be found on the Summer Programs page.
